The musical score consists of ten staves of handwritten notation on five-line staff paper. The notation uses a mix of vertical stems and horizontal strokes to represent pitch and rhythm. The lyrics are written below each staff, corresponding to the notes. The lyrics are:

A handwritten musical score for a vocal piece, likely a traditional or folk song. The score consists of ten staves of music, each with a unique melodic line and rhythmic pattern. The lyrics are written below each staff, alternating between Indonesian words and English words. The Indonesian words often form complete sentences, while the English words are mostly single syllables or short phrases.

The lyrics include:
