(Aranağme)

NEVESER KÖKDEŞ

Yüreğin kırık mıdır düşündürsün pek derin  
 Gözlerin neden kızarmış elindedir mendilin (vay vay vay ama)  
 Ah gitti yarım bu ahüzarım  
 Ulu dağlar size dert yanar ağlarım  
 Sabreyle ah güzelim geçecek senin derdin  
 Gül ki güller açılsın şenlensin ah mahzun gönlüm...
